Rise&Shine Questionnaire.

Thank you for being a part of the user testing stage of our application.

Without your help, the app we are trying to create would not be nearly as good as it is. By providing feedback, you are helping us reshape our errors, and improve on areas that we could not recognise needed improvement. We are very grateful.

What is your name? *

Ronan

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	◉	○	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yes. It gives me an incentive to not just turn my alarm off and go back to sleep.

What features currently work well in the app? As well as what features currently need improvement?   *

There are no sounds yet as well as only the single math question to help me wake up.

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	○	○	◉	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

No

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Yes, its different to my standard alarm clock app on my phone, it allows me to have more of a reason to set it as it encourages me to use my brain in the morning.

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

It seems as if anyone could use it, maybe people with sight issues but then again they most likely wouldnt be using a phone.

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Night mode !!

What more would you like to see from our app? *

A night mode as stated before, as well as a larger variety of tasks to do when waking up.

What is your name? *

Lucas

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	○	◉	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

yea, its a better user experience than a standard alarm.

What features currently work well in the app? As well as what features currently need improvement? *

need to implement cool sounds, something heavy for people who sleep thru them and something soft for light sleepers

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	◉	○	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

it worked fine but could be cool to see some difficulty stages to it.

Do you feel as if the app is diverse in comparison to other apps? Explain. *

yea definitely, i havent seen an alarm app be so interactive before

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

language barrier is the only thing i could think of

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

the colours look awesome

What more would you like to see from our app? *

more difficult puzzles, as well as more puzzles in general.

What is your name? *

Josh

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	○	◉	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yup its a different sort of experience but overall better than a regular alarm.

What features currently work well in the app? As well as what features currently need improvement? *

Variety in sounds and puzzles

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	○	◉	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

I thought the puzzle was good, got my brain working just enough

Do you feel as if the app is diverse in comparison to other apps? Explain. *

its quite similar however the puzzles make it diverse. I think anyone could pick up the app and complete the puzzle. its fun

Do you think there are any limitations to who can use our app? If so, who would be limited and do you see any potential resolution to this problem? *

People who are not very good at puzzles. This could be overcome with difficulty stages.

Does the app allow for easy and navigation? *

◉ Yes

○ No

○ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Yeah a few more themes would be cool

What more would you like to see from our app? *

More puzzles

Joshua

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	◉	○	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yes, it makes it easier to wake up naturally

What features currently work well in the app? As well as what features currently need improvement? *

need more things to do on wake up

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	⊙	○	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

⊙ No

Did any of the puzzles not work as you initially thought they would? *

there was only the one math one so it did work as intended

Do you feel as if the app is diverse in comparison to other apps? Explain. *

yeah due to the fact it gives you something to do on wake up

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

nope

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

yeah theyre easy on the eyes, a night colour scheme would be cool

What more would you like to see from our app? *

more things to do on wake up

What is your name? *

Angus

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	◉	○	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yes it makes it easier for me to not put my alarm into snooze

What features currently work well in the app? As well as what features currently need improvement?   *

It needs more things to do within the app, it works well as an alarm but needs more things to do when the alarm goes to get turned off.

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	○	○	◉	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

Worked well just make them a bit harder

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Kind of, it is definitely more diverse than a standard alarm app

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

No

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Yes, i like to use night mode on my apps so that would be cool

What more would you like to see from our app? *

More tings to do

What is your name? *

Nick

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	○	◉	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Makes it more fun to wake up

What features currently work well in the app? As well as what features currently need improvement?   *

The math question is cool. Could be harder

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	○	○	◉	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

Yes

Do you feel as if the app is diverse in comparison to other apps? Explain. *

bit more diverse than a normal alarm, it gives incentive to bring more people in

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

no

Does the app allow for easy and navigation? *

⦿ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would you also like to see ?   *

Night mode / dark theme

What more would you like to see from our app? *

same as above

What is your name? *

Flynn

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	◉	○	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yes, due to the dynamic of waking up to something that is kind of forced to do.

What features currently work well in the app? As well as what features currently need improvement?   *

More puzzles, the math quiz works really well

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	◉	○	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

Nope

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Yes due to the fact you are performing a task after an alarm pops off to allow the alarm to be turned off.

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

No

Does the app allow for easy and navigation? *

⦿ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Yeah they are cool and not sure right now

What more would you like to see from our app? *

More puzzles / more activites to do on the alarm

What is your name? *

Brody

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	○	○	◉	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yes! i reckon its way better than normal alarm apps.

What features currently work well in the app? As well as what features currently need improvement? *

Setting an alarm is easy, plus the app can be navigated easy. no frustration here. I would like to see improvement on the actual task to turn off the alarm however.

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	◉	○	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

A little, I thought they would be more challenging.

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Its quite similar to most, however the fact that there is the possibility to put more tasks on the alarm gives it the potential to have a very diverse customer base.

Do you think there are any limitations to who can use our app? If so, who would be limited and do you see any potential resolution to this problem? *

no

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Im not sure

What more would you like to see from our app? *

More tasks for me to do, im not a big math guy

What is your name? *

Bailey

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	◉	○	○	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

At the moment its pretty similar to normal alarm apps, there is the potential tho

What features currently work well in the app? As well as what features currently need improvement?   *

There needs to be more to do, the normal alarm stuff works great.

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	◉	○	○	○	○	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

Yes, i thought they would be more difficult

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Not currently, same answer as above, there is the potential

Do you think there are any limitations to who can use our app? If so, who would be limited and do you see any potential resolution to this problem? *

Only issue could be people that dont want to use it for the specific tasks. But then more tasks will/could be implement to overcome this

Does the app allow for easy and navigation? *

◉ Yes

◯ No

◯ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

Theyre great at the moment

What more would you like to see from our app? *

More tasks

What is your name? *

Maria

How satisfied were you when using our app to help you wake up in the morning? *

	1	2	3	4	5	
Not very	○	○	○	◉	○	Very much

Does this app create a positive waking up experience for you? Why/why not? *

Yeah, I think its cool, never used an app like this. Its a different way to wake up :)

What features currently work well in the app? As well as what features currently need improvement? *

The navigation throughout the app is super good!

How satisfying did you find the puzzles? *

	1	2	3	4	5	
Not Very	○	○	○	○	◉	Very Much

Were the puzzles too difficult? *

○ Yes

◉ No

Did any of the puzzles not work as you initially thought they would? *

Yes! Only extra thing would be to have a variety

Do you feel as if the app is diverse in comparison to other apps? Explain. *

Yes! As said before Ive never used an app like this. I think it brings in a larger market by advocating to more people through its diversity.

Do you think there are any limitations to who can use our app? If so, who would be limited and *
do you see any potential resolution to this problem?

Nope

Does the app allow for easy and navigation? *

◉ Yes

○ No

○ Partially

Are the colour schemes of the app suitable for your use ? What other colour schemes would   *
you also like to see ?

A settings menu with options would be cool. Not to sure on which colour palletes at the moment but having
some option is a good idea

What more would you like to see from our app? *

Options / settings and more puzzles.
